CABLE AND UNCLE SAM IN ACCORD

CONFERENCE BETWEEN THE ATTORNEY GENERAL AND CABLE COMPANY IS SATISFACTORY.

WASHINGTON, Nov. 25.—Clarence W. Mackay, president of the Commercial Pacific Cable Company; George G. Ward, vice-president, and William W. Cook, general counsel for the company, had an interview today with the Attorney General, who referred to the conditions prescribed by President Roosevelt for constructing a transpacific cable. These conditions were approved by the President in July last, since which time the Pacific Cable Company has not officially notified the Government as to its intention or willingness to accept them.

Today, however, Mackay explained to the Attorney General that the delay was caused by protracted negotiations, which have only been brought to a conclusion within the last few days, to secure a landing place in China to comply with the President's condition that an independent American line should be constructed from Manila to Hongkong, thus giving an all-American through line to the Asiatic continent.

It was this condition that was supposed to be the one that the cable company would be unwilling or unable to comply with. It now announces its ability and intention to construct a line from Manila to Shanghai, a distance of about 1,200 miles, and to have the same completed within a year.

Owing to the claim of the Pacific Cable people that, as they read one of the other conditions, it will practically prevent the necessary relations with existing lines in China to secure the transmission of American messages to interior points, that provision is being recast to obviate misunderstandings and will be submitted to the President in a modified form within a few days.

SUED FOR MILLIONS

NEW YORK, November 24.—What will probably be the biggest lawsuit ever brought in the courts of the United States from the standpoint of the amount of money involved, has been begun in an action brought by Walter Morsehead, representing the minority stockholders of the Central Pacific Railroad to recover more than \$100,000,000 from the estate of Collis P. Huntington, which sum the plaintiffs declare the stockholders of the Central Pacific were defrauded of by the machinations of Collis P. Huntington, Leland Stanford, Charles Crocker, and Mark Hopkins, known in the gigantic railroad deal of years ago as the "Big Four."

The plaintiffs have secured from the Supreme Court an order to show cause why the executors of the Huntington estate should not file an inventory of the estate, so that they may know how many millions they may recover if the suit is successful, as the entire Huntington estate would undoubtedly be swallowed up, whereupon suits would be begun against the heirs of Leland Stanford, Charles Crocker and Mark Hopkins.

NO CARMICHAEL DIVORCE.

SAN FRANCISCO, Nov. 21.—Mrs. Alice McKee Carmichael, wife of Dr. Duncan S. Carmichael of the United States Marine Hospital Service, failed to secure her divorce in Judge Seawell's court yesterday. Mrs. Carmichael brought suit on the ground of desertion and stated in her complaint that the physician, who has the rank of Lieutenant-Colonel, had deserted her on July 22, 1901, and had ever since refused to provide for her. Dr. Carmichael, however, filed his answer, in which he stated that he never deserted his wife and was at all times ready to furnish her with whatever she could reasonably expect from a husband in his station in life.
